## REBS President says...

REBS is a long-standing organization within the Wanganui community. Over the years membership has gone up and down depending on economic conditions. Research indicates that New Zealand is due for a period of very high unemployment, (currently 20% amongst young adults), at the same time many people are trying to cope with high inflation on basic necessities like food. Community Currencies such as REBS offer a means for people to try and improve their lot and save money for their households. It teaches a grassroots entrepreneurship and offers local businesses a means to create sales and stay viable. It encourages community mindedness through sharing, swapping and bartering the things we need from each other, highlighting the skills and resources we have available and builds connectedness. We have doubled our membership over the past 12 months and it is now time to let all people and businesses in this community to become aware of what REBS can offer to building our local resilience. All current members are encouraged to promote REBS and actively bring in new members. *Best Wishes Laurence Boomert.*

## JOKE TIME

### Satan Visits the Church

One bright, beautiful Sunday morning everyone in tiny Jonestown wakes up early and goes to their local church. Before the service starts, the townspeople sit in their pews and talk about their lives and their families.

Suddenly, at the altar, Satan appears!! Everyone starts screaming and running for the front entrance, trampling each other in their determined efforts to get away from Evil Incarnate. Soon, everyone is evacuated from the church except for one man, who sits calmly in his pew, seemingly oblivious to the fact that God's ultimate enemy is in his presence. This confuses Satan a bit. Satan walks up to the man and says, "Hey, don't you know who I am?" The man says, "Yep, sure do."

Satan says, "Well, aren't you afraid of me?" The man says, "Nope, sure ain't."

Satan, perturbed, says, "And why aren't you afraid of me?" The man says, "Well, I've been married to your sister for 25 years."
